Volume - 3 | October, 23

## From the desk of the Principal

SR. ASHA CSST  
Principal

Dear readers,

It gives me immense pleasure to be associated with this prestigious newsletter of our school "Sproutbytes". Time and tide wait for none. Though it is little late and we are running behind the schedule for this volume, yet I must express my sincere thanks to all the members of the editorial board for continuously working and ensuring the timely publication of each volume. The school magazine is a platform for the students to express their thoughts and perspective without any inhibition. I hope and believe that the students will continue to be a part of the newsletter and help it scale new heights of success. May the newsletter always achieve bigger milestones in the days to come.

With warm wishes for the festive season and God's blessings!

## From the Editor

Ms. PAYAL SENGUPTA  
Chief Editor

"Better late than never". The wait has been a little longer than usual this time for this academic years' edition to be out. But the good part is - finally we are able to have the edition out in this month of October. Take a pause and think for a while - we have completed 10 months of 2023!! Life goes on at an alarming speed and we have indeed traversed a long way into this year's road. Let us thank God for keeping us all safe and healthy and life is normal, well - as normal as it can be right now. We have all heard one clichéd saying that "Life is unpredictable" and till the last month we were not sure if we would be able to get the next edition out. But I must appreciate the students as well as the entire SPROUT BYTES team for showing overwhelming support and togetherness. No matter how uncertain the things may have been but as an editorial community, we have stayed open and positive throughout. How can I but not express my gratitude to our respected Principal Sr. Asha for taking initiative and interest in our Newsletter and allowing us to go ahead with it. In this edition we have tried to cover all the important happenings and events of our school in the past few months. We have had too many good events and moments to choose from, and that speaks volumes of how we prioritize our co-curricular activities besides academics. The holiday season is knocking. And it's interesting to see that keeping the stress of the half-yearly examination, marks, report cards way behind, we have all been able to immerse ourselves into the festive mood, juggling with wrapping up all pending work. This week and the coming week perhaps will be all about shopping, booking tickets to go home, purchasing gifts for our loved ones - all getting ready for the celebrations. Dear readers and patrons of SPROUT BYTES, as you gear up for the festivity, the SPROUT BYTES team wishes you all happy festive season. May the glitz, glamour, colour and lights of the festival illuminate your life in myriad ways. Just as autumn reminds us that it is important to shed old leaves in order to give space to new ones, let this festive season help you all to shed and eliminate past negativities, apprehensions, inhibitions, self-doubt and replace it with optimism, positivity, peace and prosperity.

With season's greetings and best wishes.

## MANNERS

On the beach  
Out of reach  
You don't teach  
Oh please, oh please.

Wandering and Lingerig,  
Is a way to pass my time  
I say this because  
I never love to be on time  
Don't put up the banner  
Displaying "Have manners"  
Don't waste your time this way  
Only to prove what you say.

Manners are what taught to us  
To pass our lives with comfort  
Don't refrain from the values  
Otherwise you will get hurt.

## Water conservation and eliminating use of plastic

We use water everyday. When we drink,  
And when we play. We brush our teeth, And wash our hair,  
We use water everywhere!  
It is the liquid of life. Through the cycle it goes,  
Where it stops, Nobody knows!  
It goes and goes, Untreated sewage and other wastes,  
Can pollute our water in very bad ways.  
So we must take good care of it. Recycle reduce reuse  
resources are significant Kindly don't misuse  
Say no to plastic. Use eco-friendly devices  
that makes change drastic  
Make mother earth enthrall Return her heaven.

## সে এক মহান ব্যক্তি

সে এক মহান ব্যক্তি, ছিল আমাদের মাঝে। আমাদের মাঝে থাকতেও আমি চিনতে পারিনি তাকে। সে ছিল আসলে এক কেমিস্ট। জানত সে অনেক কিছু। তাকে দেখে মনে হত ছিল না তার অজানা কিছু। আমি যখনই তাকে ডাকতাম "ও দাদুভাই!" সে আমাকে বলত	"আয়রে দাদুভাই আয়"। সে ছিল আমার অত্যন্ত কাছের মানুষ চলে গেছে অনেক দূরে। আমারও মন ফিরে যেতে চায় তার স্নেহ ভালবাসার তরে। সে ছিল এক সফল ব্যক্তি। আজ সে না থাকায়, মনে পড়ছে কথা দিয়েছিলাম তাকে যাব আমি সাফল্যের চূড়ায়।

## "অনুশীলনী জীবন"

ল্যাম্প পোস্টের আলোয় পড়াশোনা করে হয়েছিলেন বিদ্যাসাগর...  
এটাই ছিল সেকালের ছাত্রদের পড়াশোনার রসদ।  
সকাল হলেই মুখ হাত ধুয়ে বই নিয়ে বসা...  
দশটা বাজলেই কিছু খেয়ে পাঠশালায় যাওয়া।  
সন্ধ্যা হলেই খেলা ছেড়ে বাড়ি ফেরা...  
হারিকেন আলোয় সব ভাই-বোন মিলে পড়াশোনা করা।  
ছিলনা কোন টিউটর, ছিল না কোন কোচ...  
মাস্টারমশাইয়ের দেখানো পথে চলাই ছিল তাদের স্রোত।  
দশখানা গ্রাম মাঝে ছিল হয়তো একটা স্কুল...  
পায়ে হেঁটে সেখানেই হাজির হত দূর হতে দূর।  
কোথাও খাল বিল, খানাখন্দর পিছে ফেলে যেত সবে মিলে...  
পথে পাওয়া পেয়ারাটা খেত সবে মিলে।  
বই ছাড়া কোনো সরঞ্জাম ছিল না কোনো কালে...  
কোনরকম খামতি ছিল না তাই বলে!!!  
বর্তমানে ছাত্রেরা যাই স্কুলে...  
পড়াশোনা ছেড়ে তারা আন কথাই বলে।  
বড় বড় চার চাকা করে বাবা-মা পাঠায় ইস্কুলে...  
ক্লাসে বেয়াদবি করে, যায় বাড়ি চলে!!!  
পড়াশোনায় যতই ব্যয় হোক, তাতে নেই ক্ষতি..  
ছেলেকে স্ট্যান্ড করতে হবে... এটাই তাদের মতি।  
বাড়িতে ইন্টারনেট, ল্যাপটপ কোন কিছুর নেই শেষ...  
টিউটর শিক্ষকের সংখ্যা দিনে দিনে বাড়িতেছে বেশ!!!
